

# Explosion-Proof Lights – PPC-2376 Light

## Engineering Information:

Designation	Explosion Proof	Lamp Type	Lamp Wattage	Lamp Voltage
PPC-2376	Yes	Halogen	75	120

- *Certifications and compliances: Class I, Division 1 and 2, Groups C and D as well as Class II Division 1, Groups E, F, and G; UL 844.*
- *Temperature performance data (40 ° C maximum ambient): T3C; supply wire is 75 C.*
